## 1. Click Submit Assignment

This screenshot shows the Canvas LMS interface for an assignment titled "Reflection - Beginning College". On the left is a navigation menu with links: Home, Announcements, Syllabus, Grades (marked with a circled '1'), Instructor Sheet, and Help and Resources. The main content area displays the assignment details: "Due No Due Date", "Points 15", and "Submitting a file upload". Below this, the assignment prompt is: "Think back to your high school. What did you enjoy most about it? How does your experience so far in college compare to your high school experience? Is it better or worse? Why?" followed by the instruction: "Your paper should be one page, double spaced, 12-point font." In the top right corner, there is a blue button labeled "Submit Assignment" and a circular icon with the number '1'.

2. The submission types available to you will depend on the settings your instructor has selected. For Text Entry, you would type in the available text box and then click Submit Assignment.
3. When submitting a File Upload, click the Choose File button, then select the necessary file for your assignment.
4. Add comments (optional).
5. Click Submit Assignment.
